I strongly support Bill 1 (2017) Koolauloa Sustainable Communities plan. Bill 1 (2017) updates the Ko'olauloa Sustainable Communities Plan and helps guide future development on O'ahu. This bill preserves the rural character of Ko'olauloa (Northeastern O'ahu from Ka'a'awa to Kahuku) and omits the "Envision La'ie" development project proposal. We must preserve our remaining agricultural lands on O'ahu and concentrate development within the urban core.

The initiative to develop Laie is a bad idea. The roads and waste water treatment facilities, and other infrastructure cannot handle new development. Do not urbanize the rural areas of our island -- Koolauloa needs to retain its agricultural and rural character.
